Docket No. 98N-1265 MAR 18 10 32
Food and Drug Administration
5600 Fishers Lane
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: Due to my special needs, regular
prescription estrogen cannot be
metabolized by my body. I have
worked with several doctors to
find the right dosage & compounds
made only at madison. Please do not
take away this prescription need!
